NORTH ATLANTIC CHAPTER

SPRING RALLY 2009

Hi all! Hope everyone is having a fun winter and looking forward to enjoying another great North Atlantic Spring Rally. We, George and Trudy Gibbs #14043, are your Wagon Masters. We have reserved sites at the beautiful Four Mile Creek State Campground in Youngstown, NY. The dates are June 4, 5, 6, and 7, 2009 (Thurs thru Sun). It is located near the shores of Lake Ontario and only 15 miles from Niagara Falls. There are many attractions on both the American and Canadian side of the falls. REMEMBER-----Bring your passport for traveling into Canada to see the Canadian side of the falls and for traveling to the casinos.

The rally fee will include 3 breakfasts, 3 dinners, and 3 nights of camping.

We are also making this a "Friends Rally". The 2008 Chapter/Regional Bylaws state that "Friends" are owners of motorhomes not manufactured by Foretravel. "Friends" who attend must be invited by a Club member in good standing, must attend in a non Foretravel motorhome, and be in compliance with all Club policies. So if you have a friend that qualifies, we will welcome their reservations.

2009 North Atlantic SPRING RALLY REMINDER

This is a reminder note to all that you need to be getting your reservations into us for the Spring Rally.

Also, due to this being a New York State Park Campground, there's a requirement that if you want to book any extra days they can only be done in blocks of two. The campground people are also requesting that anyone who wants to stay additional nights should contact the reservation people independently on their own. Reserve America is the name of the company that does the booking for The New York State Campgrounds. They can be contacted at www.reserveamerica.com or 1-800-444-7275. They (Reserve America) have an additional charge of \$9.00 for doing the booking. If you arrive at the campground without a reservation, the campground will only charge an additional \$2.75 for booking instead of the \$9.00 charge but there's a slight risk that they might not have any available sites for the additional days that you might want to stay. Probably not a problem according to the campground people because of the time of the year but it's still a gamble. We have reserved at this time, 10 sites for a five day reservation and 25 sites for a three day reservation. The 10 sites for the five day reservation will be on a first come first served basis so please get your reservation in to us as soon as possible.

We apologize that the above was not in the initial mailing but thought that we should get this out to you so you could contact Reserve America if you so desire or take your chance on additional nights by waiting and doing that at the campground.

Also, the e-mail address on the initial mailing was incorrect. It should have read: tgibbs44@rochester.rr.com Our proof reader has been reprimanded & beaten with a wet noodle.

Please contact us if any questions relative to the above. It's not easy working with anything government controlled but we'll get it worked out to everyone's satisfaction. Looking forward to seeing one and all at the rally. Please send your reservations in as soon as possible and invite a friend (or even someone who's not a friend) that owns SOB (some other brand) to the rally. Maybe we can convert them to being a Foretravel owner and the more the merrier.

Thanks Very Much,

George & Trudy Gibbs #14043
